Travel operators (OTAs, tour operators, travel agencies, coach operators, etc.), **tour guides and works councils, tourism institutions and accommodation providers can purchase tickets in advance at the reseller rate.**

Tickets are **valid for three years*** from the date of purchase. These allow direct access to certain monuments via the security checkpoint.

A minimum of 20 tickets applies for paper ticket orders and 1 ticket for e-ticket orders.

The following discounts* are applied based on the total number of tickets purchased per order:

3% for **100** tickets or more
5% for **200** tickets or more
10% for **500** tickets or more

Separate orders cannot be combined when calculating the discount rate applicable.

*Abbey of Mont-Saint-Michel : tickets are valid for the 2026 season only.

TERMS AND CONDITIONS OF TICKET SALE AND RESALE

• E-ticket purchases for tourism professionals:

As tourism professionals, you are required to purchase your tickets via the CMN's professional e-ticketing platform. The individual e-ticketing platform is strictly reserved for private individuals.

• Existing e-ticket validity:

Tickets already in your possession will remain valid for all times of the day, whether in high or low season, until your entire stock is used up, unless otherwise indicated (see prices below)

• New ticket orders:

When placing an order, tickets must be purchased in accordance with the high or low season price for the monuments concerned by this tiered pricing. You can continue to log in to your professional account in the same way. You will automatically have access to the different purchase options when browsing.

• Ticket validity:

The conditions governing validity of our tickets remain unchanged: tickets purchased at high season price are valid for 3 years (36 months) in all high season periods. The same goes for low season tickets.

• Terms and Conditions of Resale to Private Individuals:

Your resale price must be aligned with the full rate price in force at the monuments' ticket desks for the current period. We remind you that tickets cannot be resold at a loss or with the intention to undercut the offering proposed by the CMN. Failure to comply with the above will result in your tickets being refused.

For most attractions, advance tickets are intended for professionals working with groups and individual visitors. For Mont-Saint-Michel Abbey, the Arc de Triomphe, the Conciergerie and the Sainte-Chapelle, advance tickets are intended solely for professionals working with individual visitors.
